DIED IN PRISONER'S CELL.

Demented Negro Found Dead by Jailor Torlay Sunday Afternoon.

Some excitement was occasioned, especially among the superstitious negro prisoners, Sunday afternoon, when Jailor Torlay went to a cell occupied by Will Shuman, a demented negro, and found the unfortunate man's lifeless body lying upon the floor. Jailor Torlay spoke to the man, and, receiving no response, approached him, when he made the ghastly discovery.

Shuman was brought to this city from Dutton, where he had been employed in the phosphate mines, about a week ago. The man was unconscious when brought here, and has remained in that condition ever since, even to the extent that it was necessary to force food down his throat. He was not only a mental, but a physical wreck.

The remains were turned over to the Thomas Undertaking Company, and the unfortunate man was buried Monday morning.

CATARRH MICROBES

A Dead Microbe Is the Best Microbe.

Hyomel Kills Them All.

Hyomel (pronounced High-o-me) is a killer of catarrh germs, because when you breathe it in, its antiseptic and germicide properties reach every nook and crevice of the mucous membrane from the mouth and nose deep into the lungs.

Hyomel brings the Australian forests of pine and eucalyptus to your home. It is made of the active principles extracted from these trees.

No one who lives in or near these forests suffers from catarrh. No one who breathes in Hyomel, the real forest air of Australia, will have catarrh for long after the treatment starts.

If you want to cure catarrh, croup, bronchitis, coughs, colds, asthma, hay fever, or relieve consumption, try Hyomel, the common-sense cure, the cure that reaches the spot.

A complete Hyomel outfit, including a hard rubber inhaler, costs only \$1.00, and extra bottles of Hyomel, if afterwards needed, cost but 50 cents. Guaranteed to cure, or money back. Sold by leading druggists everywhere. Sold and guaranteed in Gainesville by J. W. McCollum & Co.
